CUSTOM: If you or the business you are buying for would like any or all of your purchases to be custom processed, you will need to make arrangements **PRIOR** to fair, as we will need to pre-plan where animals are transported. Appointments will need to be made at either Brookview Farm Meats & BBQ (419-445-6366) or Pettisville Meat Inc. (419-445-0921). If you are purchasing a Junior Fair exhibitor's project, the exhibitor or the buyer should contact Martha as soon as possible, preferably by August 4th.

CUSTOM HOG: Our hogs will, again, have a short time on our fairgrounds, leaving on Monday morning. If you would like to purchase a hog for custom processing, please contact Martha as soon as possible, preferably by August 4th, so proper transportation may be arranged. Please note that Henry County is a terminal market show, so all market animals are consigned to the sale and we must track where the animals are slaughtered.

DAY OF SALE: Please pick-up your sale number the day of sale. Registration is located on the north end of the Livestock Show Arena. Enclosed is a fair pass for your admission into the fair gate. After you have finished your purchasing, please pick up your invoice before you leave. We would prefer payment to be made as soon as possible, (day of the sale is preferred). In doing so, you are enabling the Junior Fair exhibitor to receive their check in a timely manner. We will take credit card transactions with a small processing fee.

LUNCH: A complimentary lunch will be served on sale day for buyers, just north of the sale arena.

ADD-ON PREMIUM: If you are unable to attend, but still wish to support the sale, please complete the enclosed "Add-On Premium form". In order to ensure recognition in the sale program, kindly submit Add-On Premium form and payment by Wednesday, August 4th. The purpose of the Henry County Junior Fair Livestock Sale is to enhance the educational experience of raising, marketing and selling a market animal project. The add-on premium is an additional opportunity for the community to recognize the youth's efforts. Please note that add-on donors will be recognized in the sale program, and in the Junior Fair exhibitor sales report as well as in the newspaper thank you advertisement. We will not announce add-on buyers during the live auction.

Henry County Junior Fair Livestock Sale

The bidding structure will be based on a premium bid. This means the buyer will pay the actual amount he/she bids.

EXAMPLE:

Sale #	Tag #	Exhibitor	Parent	Weight	Base Bid/Market Value (Support Price)	Bid Price or Premium
3001	932	Chris Clover	Mr. & Mrs. Clover	200 lbs	\$106 (.53*200 lbs.)	\$200

If the buyer does not want the animal, he/she should state MARKET and the buyer pays \$200.00

If the buyer wants the animal for custom slaughter to a local butcher, he/she will pre-plan to have it CUSTOM slaughtered. The buyer will then pay the support bid of \$106.00 PLUS the premium bid of \$200.00 for a total of \$306.00

Add-On Premiums are extra donations passed along to the exhibitor on top of the auction and market value of the animal. Buyers submitting add-on premiums and payments prior to fair will be recognized in the auction program.
