Neal McCoy has released fifteen studio albums. In 1993, Neal McCoy broke through with the back-to-back number 1 singles No Doubt About It and Wink from his platinum certified album No Doubt About It. His commercial success continued into the late 1990s with two more platinum albums and a gold album, as well as six more Top Ten hits. A seventh Top Ten hit, Billy's Got His Beer Goggles On, came in 2005 from his self-released That's Life.

A new studio album, XII, arrived in 2012 Co Produced by Blake Shelton, & Miranda Lambert. In 2013 he released Pride: A Tribute to Charley Pride, Neal's longtime friend and mentor. 2015 brought back the Big Band Standards CD You Don't Know Me. 2017 brought Neal McCoy's Favorite Hit's 10 Hits with 2 new songs.

Neal has been on 17 USO Tours around the world and continues to say it's one of the achievements he's most proud of. He is also the recipient of multiple Humanitarian awards from The Academy of Country Music. The

Country Radio Broadcasters and The Masonic Grand Lodge. In 2016 Neal has again made a move to continue his patriotic values by reciting the Pledge of Allegiance "Live" on his Facebook page every morning. He's reached millions of viewers all over the country and around the world. Currently he's just achieved 3000 days in a row and going strong. Neal still maintains a very busy touring schedule all through the year. Make sure to catch a show when he's near because as Neal says, "No two shows are the same!"

Neal also supports his own charity organization: East Texas Angel Network which is committed to the enhancement of the lives of children in East Texas who are living with terminal or life-threatening diseases. He hosts a yearly golf tournament, auction/dinner, & concert over two days in the Fall.

The foundation has been going strong since 1995 and to date has raised over 12 million dollars for over 500 East Texas families.

Henry County Historical Society

The Henry County Historical Society (HCHS) welcomes you to the 2025 Henry County Fair. We invite you to visit/tour our historic complex located at the Southeast corner of the Henry County Fairgrounds. The site features several historic structures including the Nathaniel Hartman log home, built circa 1860-1866 in Napoleon Township and moved to this location in 1974, also on the site, the One Room Schoolhouse, circa 1897 which was moved from Monroe Township in 1988. This year we will be showcasing Henry County’s America 250th birthday exhibits; Independence and Revolution. The seven Henry County historical groups including The Four Corners Heritage Historical Society, The Liberty Center Historical Society, The Malinta Community Historical Society, The Bartlow Historical Society, The Hamler Heritage Society, and German Lutheran Heritage of NW Ohio have curated 50 stories compiled from every town, village, and township in the county. Come and pay our site a visit and learn how Henry County and its citizens played our part in shaping the first 250 years of our nation through Independence and Revolution. I think you will be surprised at some of the stories we have uncovered

and displayed.

Please join us Monday August 11th for the “Barn Raising “ of the Ranzau Blacksmith Shop that we will be dismantling in Ridgeville Corners and re-assembling at our historic site. This will be the start of the building process for the blacksmith shop and we hope to have it completely up and operational for the 2026 fair. The Northwest Ohio Blacksmith group will be assisting the HCHS and will be operating the shop in the future. WE ARE VERY EXCITED about bringing the shop to our little corner of the fairgrounds. **Tuesday** will feature the return of the Veterans Bean Soup Dinner and a concert by the Napoleon City Band as in previous years.

The HCHS site and 250th Independence and Revolution exhibits will be open from Daily from 11:00 am – 7:00 pm. The site will be closed at 6:00 pm Sunday for the Tomato Festival Parade and will not be open at all the last Thursday of the fair. If you have any questions or are looking for additional information concerning the HCHS or any of our sites please feel free to contact David Gilliland at (419)717-9190 davidgilliland505@gmail.com or Brian Tilse at (419)966-2178 bdtlse@yahoo.com.

DT&I Depot

A must see at the fair for young and old alike is the Depot.

The office area of the depot has many display cases filled with toy tractors, trucks and old farm equipment. This display is sponsored by the Maumee Valley Retired Iron Club.

In the old freight room of the Depot there are old signs dealing with railroad safety and other DT & I railroad artifacts.

The center's most interactive display is a large model railroad setup with 4 or more trains running from 10 am to 8 pm each day of the fair. This large display is set up and manned by members of the Swanton Model Railroad Club.

road Club.

Youngsters who would like to set-up a toy equipment display should contact Patrick Schulze (937-541-6020).

This Depot was the Napoleon stop on the DT & I Rail line that was once owned by Henry Ford. It has been said he stopped in this depot several times while he owned the line. After the depot had been closed for some time it was donated to the fair board and was moved to the fairgrounds by Jr. Harmon Movers. There are pictures on display in the Depot showing this move.

Don't miss this unique display at NO ADDITIONAL CHARGE!

Henry County Ag Improvement Association

The Henry County Ag Improvement Association was formed in late 2020 with the vision and mission of promoting Henry County agriculture through community improvement and development projects.

They envisioned an event center on the fairgrounds versatile enough to host year round events and bring economic development and unity to our community. The new building, which was completed in June 2025, is an open floor plan with collapsible pens and gates. The

building may transform from a banquet or trade show to a sporting event or livestock show. The new facility is a multi-use event center that should provide an income stream for the fairgrounds as well as economic benefits for the surrounding community.

If you have any questions, concerns, or would like to make a donation please contact info@henrycountyag.com or check out their Facebook page, <https://www.facebook.com/HenryCoAgImprovement/>

Reserved Spectator Infield Parking For Friday & Saturday

Reserved Spectator's truck parking in the infield area will be \$50.00 for the pull events.

This allows you to have the assigned space for both the Friday

night and Saturday shows. The person that had the reserved space for the 2024 Henry County Fair tractor pull may pay the required fee until the Entry Office closes on Saturday, August 2, 2025.

Any remaining sites will be available on a first come, first serve basis when the Entry Office opens Monday, August 4, 2025. If by chance, the person that had the spot in 2024 only wants the space for Saturday, the cost would be \$25.00 and the fair board may rent the space to a different person for the Friday night show for \$25.00 on Monday, August 4, 2025. In this situation, the person using the space on Friday will remove their vehicle from the fairgrounds area as soon as the Friday night show is over. The person that has the spot reserved for Saturday may then park their unit.

Rules subject to change due to new health & safety guidelines.

The 2025 Henry County Fair will feature the **JOHN DEERE, MODEL R.**

The **John Deere Model R** tractor (1949) was the breakout star of its time. It was bigger, better, and stronger than anything that had come before and it offered features exclusive to the Deere line, such as a steel cab option and it was equipped with a five-speed gearbox...As the first John Deere diesel-powered tractor, the Model R changed the face of John Deere agricultural machinery forever.

John Deere had been experimenting with diesel power since the early war years, and when it arrived on the market it proved to be one of the best diesels available. The R engine set a new record for fuel efficiency when tested in Nebraska, and it also set a new record as the most powerful engine in a John Deere Production tractor.

Artistic Design- "Moving Forward..."
ARTISTIC DESIGN RULES
Artistic classes are open to anyone other than professional arrangers.
All plant materials MUST be listed on the front of the entry tag or a 3"x5" card. Entry tags should include variety names, if known.
It is highly recommend that designers explain how they interpreted the theme into their design on another 3"x5" card.
Live and dried materials may be obtained from any source for arrangements. Fresh plant material must be predominant, unless otherwise stated. Dried, painted and treated materials may be used in all designs unless otherwise stated. Fresh plant materials may not be painted or dyed. Protected wildlife feathers are not permitted.
No silk or plastic plant materials may be used.
Bases and accessories are permitted and are judged as part of the entry.
Handcrafted items from natural materials are allowed.
Foliage is permitted in arrangements unless otherwise stated.
Plant materials may be replaced to insure freshness; the design cannot be changed.
The design must be the work of the exhibitor.
All entries will be placed as directed by the committee.
ARTISTIC DESIGN TERMS – also see Ohio Association of Garden Clubs (OAGC) Handbook
Incorporating - the material incorporated must be an integral part of the design
L-Shaped Design - an asymmetrical, thinned, controlled portion of a triangle: one vertical cone, two horizontal cones, one very short; an

Flower Show (continued)

L can be reversed, facing left rather than the standard right.

Parallel Design - Creative design with 3 or more strong parallel groupings of plant materials and/or other components. Open spaces between the groupings are important. Some material may be arranged at or near the base to create a connection.

Stretch Design - A 3D creative design using two similar containers, where one is smaller and appears to have been pulled away from the other by straight connective line material having dynamic tension and qualities. The stretch may be in any direction (diagonal, vertical, or horizontal). The connective line must be straight and forceful, creative and compatible with other elements of the design. The connective line must be in scale and in good proportion to the overall design.

Creative Mass - Creative design where plant materials of all types and kinds are grouped together in the same area as opposed to scattering of materials. Creative containers with multiple openings can help to achieve this design.

Vertical Design - exaggerated, stretched version of a triangle; height emphasis managed with elongation

Mound Design - rounded or half-round spheres which result in small designs. In a round container, a first row of materials is distributed with spaces much like spokes on a wheel. Round form flowers go in slightly higher, in spaces from the placement series.

Inspection and Health Requirements of Livestock Exhibited in Ohio

No prior health certificate inspection or blood testing is required. Veterinary checks are MANDATORY for all livestock exhibitors at 7:30p on Wednesday August 6. Precedures are as follows:

1. ALL MARKET animals will be weighed. Animals will need to be un-blanketed when crossing the scales. Please be sure all sections of the form are filled out and signatures are completed.
2. All animals with the exception of hogs will be inspected at 7:30p. Animals MUST be in their assigned pen promptly at 7:30p. If the exhibitor is not able to be present due to work or practice or an emergency, they are to have an adult representative present who they authorize to speak on their behalf.

*The veterinarian, Senior Fair Board Dept. Superintendent NOR the Junior Fair Board representative will track down any exhibitor or their animal for this inspection. Exhibitors are expected to have their animal/s in the barn and themselves or their adult representative present.

3. If any Junior Fair exhibitor's animal is excused for health concerns and the exhibitor has taken their trailer home or was trailered

in by someone else, arrangements by the Senior Fair Board will be made to assist the exhibitor in removing the animal.

The Senior Fair Board Dept. Superintendent will make any and all decisions with regards to animals in violation of rules and regulations of the department or exhibition.

4. There will be daily veterinarian walk-thru inspections that are to be announced. A message board is available for exhibitors to identify problem animals to be examined by the fair veterinarian during this time. The vet will leave a message with a diagnosis attached to your pen if you are not present during examination. Any animals requiring attention other than the designed walk-thru inspection hour are subject to regular vet fees. Owners will be responsible for payment of such service.

5. A complete list of the Ohio Department of Agriculture Rules & Regulations for exhibition is available at henry.osu.edu (4-H Youth Development > Jr Fair Information section). You may also pick up a copy at the Henry County Jr Fair Board Office or the OSU Extension Henry County office.

STOCK THE TRAILER

Presented By  **farm CREDIT**
MID-AMERICA

With the Henry County Jr. Fair!

We are excited to participate in this great program for a 4th year!

What is Stock the Trailer?

This is a program available for local Jr. Fairs to compete against each other to raise the most amount of goods (by weight) to donate to local food pantries.

How do I get involved?

The Henry County Jr. Fair board has been working with local food pantries to find a home for all of our donations after fair. This mean that all we need are the donations themselves.

During the week of fair, all donations will be accepted at designated boxes throughout the Jr. Fair barns, as well as the Jr. Fair Office in the 4-H Booth Building. Monetary donations are also accepted, and Junior Fair members will go shop for items to donate for you!

WE APPRECIATE YOUR SUPPORT!

Fair livestock project exhibitors are required to participate in skillathon evaluations. The skillathon evaluation will determine 51% of the final rating while 49% of the rating will be given based on project exhibition of the animal at the fair. The final project rating will be determined at the time the exhibitor is in the ring. The final rating will determine the premium amount awarded to the Junior Fair exhibitor. Skillathons are completed by Beef, Swine, Dairy, Sheep, Goats, Horses, Rabbits and Poultry project exhibitors prior to fair. No "make up" skillathons will be provided after August 1st. Please contact Morgan Parcher, 4-H Extension Educator if you cannot participate on the scheduled Livestock Skillathon date.

b) Project members expected to present their own project at skillathon and livestock shows. This includes participation in showmanship classes.

i. Exceptions will be made only for exhibitors who may be physically impaired or who have animals of different species showing at the same time. In cases where the exhibitor is showing two different species at the same time, the exhibitor may have another Junior Fair exhibitor show the second animal. In cases where the exhibitor is physically impaired (both temporarily and/or permanently) accommodations will be made according to the individual situation at least 24 hours prior to the start of the exhibitor's show.

c) It is the agreement of the Henry County Junior Fair Board and Henry County Senior Fair Board that any market animal that fails to meet the specie's minimum weight requirement will not be permitted to show or exhibit in that species' Junior Fair Show.

4. Premiums:

Premiums are monetary awards presented by the Henry County Agricultural Society (Senior Fair Board) to Junior Fair exhibitors successfully exhibiting their projects(s) at the county fair. The Senior Fair Board establishes the premium rates. Premiums are paid at the fair through the Junior Fair Office (hours to be announced) on the fairgrounds. Exhibitors or parent must

sign for their premiums.

5. Ohio State Fair:

Members wishing to participate at the Ohio State Fair will be vetted by their club advisor to ensure they are in good standing within their club. Members must be sure they are enrolled in the project they wish to exhibit at the OSF – even if they are not exhibiting that project at the Henry County Fair. Members and projects may be released from the county fair to participate at the Ohio State Fair when dates overlap. Henry County Junior Fair Rules & Regulations (continued)

1b: Switching of animals or purchasing of animals after the respective possession date will result in the offending family being ineligible for Junior Fair competition for a period of one year.

B. IDENTIFICATION:

2. **The Henry County Fair expects all market livestock animals (except for poultry) be weighed and identified prior to entry and exhibition.** All animals are registered, weighed-in, and tagged/tattooed on the Weigh-In/I.D. Day as listed in each department's section. Members who are unable to transport their project animal/s to the appropriate Weigh-In/ID event or have a legitimate conflict in scheduling must make other arrangements prior to the scheduled id date. Any arrangements outside of the designated Tagging Dates must be communicated to Morgan Parcher, 4-H Extension Educator.

C. OHIO DEPARTMENT OF AGRICULTURE REQUIREMENTS

As determined by the Henry Co. Agricultural Society:

1. All livestock exhibitors must have their animal(s) visually inspected by the fair veterinarian during inspection time (8pm) on Wednesday prior to opening day of the fair. The exhibitor or a repre-

sentative must be present with their animal.

2. Drug use notification forms (901-19-06) are required for **MAR-KET** beef, sheep, swine, goats, poultry, rabbits, lactating dairy cows and lactating dairy goats. **2025: FEED-ER CALVES MUST COMPLETE DUNF Forms as well.**

3. DUNForms must be completed electronically. Should any of these market animals receiving medical treatment during fair, the project members must complete a paper Drug Use Notification form and turn it into the Junior Fair Office on the fairgrounds.

4. ALL ANIMALS ARE TO ENTER THE FAIR DRUG FREE. D. SPECIFIC RULES:

1: Dehorning All Junior Fair market animals should be properly dehorned and castrated. Animals receiving such treatments **MUST** be healed before attending the fair. *See specie Rules and Regulations*

2: Class entries Junior Fair members may enter livestock classes according to limits specified in each department's Rules & Regulations section of the Junior Fair handbook. All animals entered in breeding classes must be either purebred or show the recognized characteristics of a specific breed.

3: Showing/Exhibiting: It is rec-

ognized that 4-H, FFA, Boy Scouts, Girl Scouts, Farmers Union, and Farm Bureau Youth (a.k.a. Junior Fair participants) can develop positive relationships between parent and child. It is beneficial to have youth organization members and their parents work together to accomplish goals. The Ohio Dept. of Agriculture has Ohio's Livestock Tampering Exhibition Rules for exhibitors to follow, that must be adhered to locally. For this reason, actual work on a member's project must be completed and exhibited by the member involved. Fitting, trimming, and otherwise preparing an animal for show must be the responsibility of the youth who is the member of 4-H, FFA, Boy Scouts, Girl Scouts, or Farm Bureau Youth. Although parents, club leaders and others may offer advice and guidance, work done on Junior Fair animals at the fairgrounds must be completed by the youth involved. No exhibitor shall enter an animal in a competition in the Henry County Junior Fair that has been handled, fitted, groomed, shown, or exhibited by another person other than a member of the exhibitor's immediate family (parents, grandparents, aunts, uncles, brother, sister) or another Junior exhibitor while on the Henry County Fairgrounds during

the fair.

*No exhibitor, their family or any party involved in unethical practices shall be permitted to exhibit at the Henry County fair, having been banned for disciplinary or ethical reasons from other county, independent or state fair for a period commensurate with the ban.

In any Junior Fair livestock show, no adults other than assigned ring people will be allowed in the show arena/area to provide any verbal or physical assistance. Exception to this rule will be made on an individual basis in regard to permanent/temporary disabilities of an exhibitor and/or in case of multiple projects being exhibited in one class.

E. Tampering, Unethical Practices, or Misrepresentation: (ODA Tampering Exhibition Rules)

1: Tampering and/or misrepresentation as to breeding, age, ownership, or other irregularity in showing will be considered fraud and deception. Any premiums, trophies, awards, or sale money will be withheld if the exhibitor is proven to have tampered or misrepresented his/her project animal.

2: Prohibited Grooming Practices: Unethical fitting is prohibited in junior market livestock shows unless those grooming practices are permitted under rule 901-19-33 of the Administrative Code: A. Using any substance to enhance or change the color of the livestock, including the livestock's hide or hooves; B. Adding any substance externally to build up, change or alter the shape or conformation of the livestock, including by way of example but not limited to rope, false hair, graphite, hemp, and powders; C. Pigmented grooming aides or materials; and D. Slick clippings or body shaving of market hogs except on ears and tails.

3: ORC 901-19-13: Drenching of all livestock is prohibited, except for a medical condition diagnosed by a licensed veterinarian. Drenching is the act of using an instrument, including a bottle, placed in an animal's mouth to orally administer liquid, food or any other substance.

4: Penalties for unethical practices shall include forfeiture of Junior Fair premiums. Awards, or other benefits and their penalties as Senior Fair Board deems appropriate. Proper authorities will be notified of any legal infractions.

5: No exhibitor, their immediate family or party involved in unethical practices shall be permitted to exhibit at the Henry County fair, having been banned for disciplinary or ethical reasons from any other county, independent or state fairs for a period commensurate with the ban. ALL ODA Rules & Regulations will apply.

F. Showmanship Classes:

Project members are to present their own project animal in showmanship classes. If the member has weighed-in/ ID'd more than one project animal at the initial weigh-in/ID time, the member is to use the project animal they are exhibiting for Junior Fair. When an exhibi-

SECTION III: LIVESTOCK SALE RULES & REGULATIONS

A. General Rules & Regulation of the Sale

1. Henry County Junior Fair Livestock shows are partial **TERMINAL** shows (901-19-02). This means all market animals exhibited (market lambs, market steers, market goats, market hogs, broilers, turkeys, market ducks, meat pen of rabbits, single roaster, and market geese) must be consigned for slaughter or market in accordance to this administrative code.

2. The exhibitor or parent must be present as their animal/s are being loaded out. Times for load-outs if other than during sale will be posted prior to sale day.

3. Grand Champion and Reserve Grand Champion animals **MUST BE SLAUGHTERED**.

4. Any non-Champion/Reserve Champion animal may 1) return home 2) arrange a custom slaughter appointment 3) utilize the Livestock Support Buyer.

5. The Livestock Support Buyer is a Stockyard hired by the Henry County Livestock Sale Committee to assist in the final destination (slaughter) for market animals.

6. In case of multiple market projects, only one animal will go through the sale ring.

7. In cases of multiple Grand Champion(s) and/or Reserve Grand Champion(s) owned by a single exhibitor, both animals will be sold in the sale ring. The exhibitor shall designate, prior to the sale, which animal he/she will keep the proceeds from. The exhibitor will receive the market value of the second Grand/Reserve Grand Champion animal that goes through the sale ring. Premiums awarded above market value on the second animal shall be allocated to the Livestock Sale Committee in support of the Junior Fair Program.

8. ***Grand & Reserve Grand Champions** that go through the sale include Market Beef, Market Dairy Beef, Market Hogs, Market Goat (Meat Type), Market Goat (Dairy Type), Market Lamb, Market Broil-

ers, Market Turkeys, Market Goose, Market Duck, Market Rabbit- Roasters, Market Rabbit- Pen of Three.

9. Youth who enroll in and exhibit both a market project and a dairy project, must sell their market project in the sale and will not be included in the Gallon of Milk.

10. Animals that are sold in the sale ring will be consigned **MAR-KET** or **CUSTOM SLAUGHTER**.

- "Market" indicates the buyer does not want the animal personally and thus, the animal goes to market.
- "Custom" indicates that the buyer wants the meat and therefore will pay the value of the meat plus the amount over market value that they bid and the animal goes to their prearranged processing facility.

11. All exhibitors must wear appropriate show attire (according to their specie) for the livestock sale.

B. Sale animal Rotation:

Sale order rotates yearly with the first specie sold the previous year moving to the bottom of the rotation list. Sale committee reserves the right to group similar species for ease in support buyer hauling.

C. Possession & Responsibility:

1. All Grand and Reserve Grand Champions remain in the custody of the Senior Fair Board upon being named as such. Care of the animal during the week of the Henry County Fair must be continued by the Junior Fair exhibitor. All ODA Rules & Regulations apply.

2. Grand and Reserve Grand Champion Market Steers, Market Hogs, Market Lambs, Market Poultry, Market Rabbits and Market Goats must be slaughtered. Animals may NOT return home under ANY circumstances.

3. All other market livestock remain the property of the Junior Fair member until it is loaded on the buyer's truck.

*The Junior Fair member accepts all liability until the animals are loaded onto the truck. *It is expected that the member be present to take the animal through the ring and to the truck. In cases of physical impairment of the exhibitor OR a justifiable reason, another designated Junior Fair exhibitor may take the animal through the sale ring. Please notify the exhibitor's department advisor of the change in advance.

4. The heaviest animal is defaulted into the livestock sale. ***Only animals exhibited in their respective shows are to be on the fairgrounds and thus no "extra" animals are allowed to be put on market buyer trucks.**

5. A fee of **\$12.00** is charged for market animals sold in the sale to cover livestock sale expenses. Expenses include cost of mailings, flyers, thank-you signs, livestock check-off programs, and Grand/Reserve grand Champion Livestock banners.

6. It is the responsibility of each member to contact potential buyers for their animals. The Junior Fair Sale Committee works to notify buyers, old and new, of the upcoming livestock sale and the youth involved. Buyers are essentially rewarding exhibitors above the market

price for their hard work and involvement in the Junior Fair.

7. It is mandatory for all Junior Fair exhibitors who sell an animal to mail thank-you notes written to their buyer/s. Please note: A single picture of your Thank-you notes/ letters (grouped in the photo) in their envelopes, addressed to each buyer is to be emailed to the Sale Coordinator no later than September 15th.

8. Send Emails to:

henrylsc@googlegroups.com

Exhibitor livestock sale checks are mailed to each member as thank-you note/letter confirmation pictures are received and provided the buyer has paid his/her bill. The goal of the Junior Fair Livestock Sale Committee is to have checks issued within 30 days after the sale providing each buyer has paid his/her own bill and/or the member has turned his/her thank you note/s.

9. Any questions or discrepancies of rules regarding the Junior Fair Livestock Sale will be decided upon by the Henry County Livestock Sale Committee with approval of the Henry County Agricultural Society.

10. In the event an animal is unable to be exhibited at the fair, any add-on premiums already received will be returned to the buyer/supporter.
